Friends of Rotary Club Kihei-Wailea: An option for individuals unable to regularly attend weekly meetings but who wish to be involved with Rotary and support RCKW projects and activities may become a 'Friend'. Not recognized as a full member by Rotary International, Friends have no requirements and may participate as they choose. A \$200 yearly contribution payable to RCKW general fund will support operations and service projects. Anyone, including a Rotarian no longer able to commit to active membership, is welcomed to become a Friend. Initiation fees are waived if the Friend chooses to become or return to active membership. Please consider the following people as very special Friends of RCKW!

- Jeannie Duberstein
- Sue Murray
- Patricia Stillwell
- Mike Kenrich
- Carole Reed

For our club to attain **100% ROTARY FOUNDATION BENEFACTOR** status, all we need is for everyone to sign a simple form promising \$1,000 in assets from your estate to benefit Rotary after you are gone. It costs nothing now and yet you will be helping to secure the Foundation's programs by building the Permanent Fund. Please ask President Barbara for a form today!

NEED A MAKE-UP MEETING? When you miss a Wednesday meeting, you affect not only your own attendance record but also the club's overall status. However, you can still achieve 100% attendance when you 'make up' missed meetings by attending Board meetings, committee meetings, Sunset Chats, working at Rotary projects or workdays, or by visiting any other Rotary Club including those on Maui! You can even make-up online at www.rotaryclubone.org! If you have a make-up, be sure to mention it to Secretary Gloria Lukens so you get credited.
