**3rd Annual KYC Winter Fest a Huge Success!** Santa (aka our own DG George) arrived by Wailea's fire truck when he visited the Kihei Youth Center during our third annual **KYC Winter Fest** sponsored by RCKW along with many wonderful partners. The 60 or so keiki who attended the event were treated to music, magic, face painting, and a full turkey dinner with Mulligan's On the Blue baking the turkeys and providing stuffing and gravy (Thanks Mike O'Dwyer!) The hard-working KYC staff set up and the KYC BOD and Honorary Rotarian Kimokeo Kapahulehua's Maui Nui o Kama Halau served the meal and helped with clean-up. Coalition for a Drug-Free Hawaii donated the entertainment and goodies. Honorary Rotarian Ray Yamamoto from Longs Drugs provided stocking stuffer items. Casey Logsdon of Maui Wedding Cakes provided the one cake and gingerbread cookies for decorating. About 25 members of the Rotary Club of Kihei Wailea attended the fest. RCKW collected about **\$3200** from our generous membership so that Santa could deliver gift certificates for each KYC child in attendance. In addition, the donations benefited at least 9 Kihei Youth Center families who had challenging situations this year. Many local kids and families received a lot of holiday cheer this year. **Mahalo RCKW!**
