- Mary Margaret Baker - 1 year
- Tom Blackburn-Rodriguez - 1
- Tristan Foong--1

COMMUNITY SERVICE DG Elect George Fontaine needs your help. His **Hygiene Kit for Homeless** project is close to completion but some additional contacts need to be made by club members. Please talk to George and offer your help. You will be asked to contact Long's Drugs and other vendors to secure the items that will be included in the packets. This can be a great Rotary club project!

SCHOLARSHIP COMMITTEE:

Seabury Hall students Anna Clark and Deborah Silverman were awarded the Rotary Club of Kihei Wailea Scholarship of Merit on April 25.

The **HRYF** Scholarships will be awarded May 30th to three additional Seabury Hall girls. KYC will also have RCKW scholarship candidates--award presentation TBA!

FOUNDATION: Club matches 3 to1 for New Paul Harris Fellows, this will be effective till the end of the Rotary year, June 30/07! District Governor Jim Varner has sent us a message that he would like to see the remaining clubs become 100% Paul Harris Clubs, when RI President Bill Boyd comes to Oahu March 31, 2007 for the District Foundation Dinner. For only \$250.00 you can become a Paul Harris Fellow! Remember to put what you can in the Foundation envelopes every week.

For our club to attain 100% **ROTARY FOUNDATION BENEFACTOR** status, all we need is for everyone to sign a simple form promising a future \$1000 in assets from your estate. It costs nothing now and yet you will be helping to secure the Foundation's programs by building the Permanent Fund. Please ask President Paige for a form

Message from President Paige: As of May 1, there are 61 days until the end of the Rotary year, time flies when you are having fun! All Rotarians are busy finishing up their projects and getting ready for the District Conference. The District Conference is where we get to celebrate and enjoy our years accomplishments. Please attend the District Conference in Kona, May 25-28. PE Barbara will have a great year ahead of her, so lets give her all our support as she shows how "Rotary Shares" in Kihei-Wailea!
